Subject: I can help you lose weight

Hello !

If you're like me, you've tried EVERYTHING to lose weight. I know how you feel – the special diets, miracle pills, and fancy exercise equipment never helped me lose a pound either. It seemed like the harder I tried, the bigger I got, until I heard about a product called Extreme Power Plus.

You're probably thinking to yourself, "Oh geez, not another miracle diet pill!" Like you, I was skeptical at first, but my sister swore it helped her lose 23 pounds in just two weeks, so I told her I'd give it a shot. I mean, there was nothing to lose except a lot of weight! Let me tell you, it was the best decision I've ever made. Period. Six months later, as I'm writing this message to you, I've gone from 355 pounds to 210 pounds, and I haven't changed my exercise routine or diet at all. Yes, I still eat pizza, and lots of it!

I was so happy with the results that I contacted the manufacturer and got permission to resell it – at a BIG discount. I want to help other people lose weight like I did, because it

RE: I can help you lose weight

FreeBSD–Security: RE: I can help you lose weight

does so much for your self–esteem, not to mention your health.  
I give you my personal pledge that Extreme Power Plus  
absolutely WILL WORK FOR YOU. If it doesn't, you can return it  
any time for a full refund.

If you are frustrated with trying other products, not having  
any success, and just not getting the results you were promised,  
then I recommend the only product that worked for me – EXTREME  
POWER PLUS.

You're probably asking yourself, "Ok, so how does this stuff  
actually work?"

Extreme Power Plus contains Lipotropic fat burners and ephedra which  
is scientifically proven to increase metabolism and cause rapid  
weight loss. No "hocus pocus" in these pills – just RESULTS, RESULTS,  
RESULTS!!

Here is the bottom line ...

I can help you lose 10–15 pounds per week naturally, without  
exercising and without having to eat rice cakes all day.  
Just try it for one month – there's nothing to lose, and everything  
to gain. You will lose weight fast – GUARANTEED. That is my  
pledge to you.
