Yeesh!

<http://www.google.co.uk/search?q=site%3Athebe.jtan.com&sourceid=mozilla-search&start=0&start=0&ie=utf-8&oe>

Including the _very_ informative <http://thebe.jtan.com/phptest.php>

[And fascinatingly enough, it seems to host a site related to some grade school in Salem. In light of the recent news articles about privacy breach of a school psychiatrist's report on a pupil there, I wonder if we may have stumbled across the host in question.
