Make your \$6 earn \$1000s in just a month with Paypal:

What you are about to read is a pyramid scheme, but it will work for you if you understand how they work. You may ignore this as soon as you read me saying it is a pyramid scheme, but remember this, pyramid schemes do work to a certain point, if you are one of the people who are at the top (one of the first to receive this), then you are almost guaranteed to receive a lot more back than what you put in (only \$6). It's the people who are at the bottom of the scheme that will end up losing money. The internet has millions of users worldwide, so there is no chance of this scheme reaching every single person. This is one of the first places I have posted this, there is not really any chance of you losing money, if you pay the money to the 6 emails, then post this across mailing lists, message boards, etc, then you will easily make 10 times your initial investment. All you have to lose is \$6, so read it through and try it. It doesn't take much effort to give \$6 and then post this message in places, pyramid schemes are mathematically proven to work for everyone at the top, so just try it, you are going to make some money whatever happens. Paypal is efficient and quick, so if you post this a lot of times you will earn \$1000s, like the title says. News stories have shown schemes like this as scams where you lose money, but the truth is, as long as you are not at the bottom, there will always be people to pay the next \$6, of course the amount of people to pay the money slows down at a certain point, but you are near the top so you don't even need to think about that.

Follow these instructions:

Dear Friend,

Please don't read this message if you are not bothered about HAVING WONDERFUL LIFE AND ARE CONTENT WITH WHAT YOU ARE EARNING. This is not a scam, I have done it myself! Can you really make money so easily? I thought it was impossible. Just read this. I don't even have to convince you that this is not a scam, because it makes logical sense how you can earn money through paypal. A little while back, I was browsing through a newsgroup, just like you are now and came across an article similar to this, that said you could make thousands dollars within weeks with only an initial investment of \$6.00! So I thought, "Yeah, right, this must be a scam", but like most of us, I was curious, so I kept reading& There has been articles

about this in OPRAH WINFREY and in the Wall Street Journal, here is some of it!! Everyone has heard about "PayPal" (if you haven't you will soon) and, when I came across this concept I knew it would work because, as a member of PayPal, I had already experienced their efficiency and excellent standing. PayPal is the simplest method of making and receiving payments online anyone has ever seen! Anyone with an email address can join, for FREE! Please read further before you go there& You can complete this whole process in less than one hour and you will never forget the day&..

You decided to do so!!! Oh! Did I say FAST? By fast I mean 'the speed of the Internet-type fast.' Everything is done on the Internet by E-mail. And, if you abide by the rules, it is NOT considered SPAM, so it's perfectly legal!..

PAYPAL VERIFIES THAT THIS \$6 INVESTMENT IS 100% LEGAL AND IS A BIG HIT THIS YEAR SEE THEIR NOTE BELOW OR ASK THEM DIRECTLY&

Message from PayPal:

"Dear Member, it has come to our attention that there is a paypal scheme floating around at the moment you may have heard or seen the \$6 scheme. You may have even taken part in it well we have been asked a lot of questions about this scheme the answer is yes it does work and yes it is safe to use providing you follow the rules it is legal and has made a big hit on the internet this year. Thank you for using Pay Pal."

Anyway, it said that you send \$1.00 through paypal to each of the emails stated in the article. You then place your own email address in the bottom of the list at No.6, and post the article in at least 200 Newsgroups. (There are thousands) No catch, that was it. So after thinking it over, and talking to few people first, I thought about trying it. I figured, what have I got to lose except \$6.00, right? Like most of us I was a little skeptical and a little worried about the legal aspects of it. I found out that it follows the same regulations as the mailed chain letters, which according to the U.S. Post Office

(1-800-725-2161) is indeed legal! Then I invested the measly \$6.00. Well GUESS WHAT!?! Within 7 days, I started getting money in my PayPal account! I was shocked and excited! I figured it would end soon, but the money just kept coming in. In my first week, I made about \$30.00. By the end second week I had made a total over \$1,100.00! In the third week I had over \$8,000.00 and it's still growing. This is now my fourth week and I have made a total of just over \$36,000.00 and it's still coming in rapidly. Its: certainly worth \$6.00., I have spent more than that on the lottery!! Let me tell you how this works and most importantly, why it works? Also, make sure you print a copy of this article NOW, so you can get the information off of it as you need it.

#### REQUIREMENTS:

You must have a verified PayPal account. If you do not have an account you can go to <https://www.paypal.com> (notice the secure "https" within the link) and follow the instructions to set up a free account. Be sure to sign up for a free PREMIER or BUSINESS account (and not just a PERSONAL account)

otherwise you won't be able to receive credit card payments from other people. In order to place the initial \$6 into your account, you will have to verify your bank account with PayPal (which may take a few days). Paypal is 100% secure and is used by millions of people world wide.

#### STEP 1:

Sending PayPal money: "It is an undeniable law of the universe that we must first give in order to receive." Send, through PayPal, \$1.00 to each email on the below list. Make the subject of the payment "Email List" and in the comments, write "PLEASE PUT ME ON YOUR EMAIL LIST." (This keeps the program 100% legal&so please don't forget!). What you are doing is creating a service by this and best of all you are not giving your address to anyone you do not know. THIS IS ABSOLUTELY LEGAL!

The email list:

- 1) wealthmoneywin@xxxxxxxxxx
- 2) prash\_usa@xxxxxxxxxx
- 3) j\_garcia19830@xxxxxxxxxx
- 4) profitsin@xxxxxxxxxx
- 5) danjs1007@xxxxxxxxxx
- 6) mike\_carter990@xxxxxxxxxx

#### STEP 2:

Now take the 1st email off the list that you see above, move the other addresses up (6 becomes 5, 5 becomes 4, etc&) and add YOUR email address (the one used on the paypal account) as number 6 on the list. MAKE SURE THE EMAIL YOU SUPPLY IS EXACTLY AS IT APPEARS IN YOUR PAYPAL ACCOUNT.

#### STEP 3:

Try to keep this article as close to original as possible. Now, post your amended article to at least 200 newsgroups and message boards. (I think there are close to 32,000 groups) All you need is 200, but remember, the more you post, the more money you make as well as everyone else on the list!
