A few folks noticed that on the W2K download page for MS03–039, SP4 is not mentioned as a viable platform.

This should be corrected fairly soon, thanks to Luke Sullivan, Microsoft were notified and acknowledged the oversight.

Cheers,

Russ – NTBugtraq Editor

Are You "Certifiable"? Summer's Hottest Certification Just Got HOTTER!
With a growth rate exceeding 110%, the TICSAs security practitioner certification is one of the hottest IT credentials available. And now, for a limited time, you can save 33% off of the TICSAs certification exam! To learn more about the TICSAs certification, and to register as a TICSAs candidate online, just go to
