Your subscription to the NTBUGTRAQ list is due for renewal. If you wish to remain subscribed to NTBUGTRAQ, please issue the following command to LISTSERV@xxxxxxxxxxxxxxxxxxxxxxxxxxxx at your earliest convenience:

CONFIRM NTBUGTRAQ

You will be automatically removed from the list if you do not send a CONFIRM command within the next 14 days.

PS: In order to facilitate the task, this message has been specially formatted so that you only need to forward it back to LISTSERV@xxxxxxxxxxxxxxxxxxxxxxxxxxxx to have the command executed. Note that while the formats produced by the forwarding function of most mail packages are supported, replying will seldom work, so make sure to forward and not reply.
