USENIX, Security 2002

---

## SUMMARY

The <<http://www.usenix.org/events/sec02/>> USENIX Security Symposium brings together researchers, practitioners, system administrators, system programmers, and others interested in the latest advances in security of computer systems.

## DETAILS

If you were working on any practical aspects of security or applications of cryptography, the program committee would like to encourage you to submit a paper. Submissions are due on January 28, 2002.

This symposium will last for four and a half days. Two days of tutorials will be followed by two and a half days of technical sessions including refereed papers, invited talks, Work-in-Progress reports, Birds-of-a-Feather sessions, and panel discussions.

The conference itself is held in August 5-9 in San Francisco, CA, USA.

## ADDITIONAL INFORMATION

The information has been provided by <<mailto:catherine@usenix.org>> Catherine Vegher.
