Hi,

have a look at

nsa1.www.conxion.com/cisco/index.html

Regards,

Enno Rey

Subject: Cisco Config Files?

By chance does anyone have a copy of a secure cisco config file? It's for our main company's main border router. I'm in serious need of something to compare mine too. I haven't been able to find a link too a good one. If someone has a good link for reference I'd be so appreciative.

Thanks again,

Alexander
