Thanks °Mike°. I have found one other reference to this problem and that was on a Win2000 system:

<http://groups.google.com/groups?q=tdimon&hl=en&lr=&ie=UTF-8&oe=UTF-8&selm=3D2DC584.7010202%40syn>

Used TDIMon for a long while without problem on 98.
