Call For Papers
and
Call For Session Proposals

The 2006 World Congress in Computer Science,
Computer Engineering, and Applied Computing
WORLDCOMP'06
(composed of 28 Joint Conferences)
June 26-29, 2006, Las Vegas, USA

Dear Colleagues:

You are invited to submit a draft paper (see instructions below) and/or a proposal to organize a technical session/workshop. All accepted papers will be published in the respective conference proceedings (included in major science citation indexes). The names of technical session/workshop organizers/chairs will appear on the cover of the proceedings as Associate Editors.

The 2006 World Congress in Computer Science, Computer Engineering, and Applied Computing (WORLDCOMP'06) is composed of the following 28 conferences (all will be held simultaneously, same location and dates: June 26-29, 2006, USA).

- o The 2006 International Conference on Parallel & Distributed Processing Techniques & Applications (PDPTA'06)
- o The 2006 International Conference on Scientific Computing (CSC'06)
- o The 2006 International Conference on Grid Computing & Applications (GCA'06)
- o The 2006 International Conference on Security & Management

Call For Papers: 2006 PDPTA, ICAI, SERP + more (28 joint conferences); Las Vegas, USA, June 2006

comp.security.misc: Call For Papers: 2006 PDPTA, ICAI, SERP + more (28 joint conferences); Las Vegas, USA, June 2006

(SAM'06)

- o The 2006 International Conference on Artificial Intelligence (ICAI'06)
- o The 2006 International Conference on Machine Learning; Models, Technologies & Applications (MLMTA'06)
- o The 2006 International Conference on Software Engineering Research & Practice (SERP'06)
- o The 2006 International Conference on Programming Languages & Compilers (PLC'06)
- o The 2006 International Conference on Internet Computing (ICOMP'06)
