Hello all ! Im trying to find someone to help me out and dont really know where to look so if anyone can help it would be great!!! I have a demo disk that has a 30 day trial on it, i like the disk and want to buy it but the company is out of business and the software and design company are also out of business. Is there any way to find the password on the trial disk ? The company was B&S Horse Management and the designer was WWW.SoftwareAndWebDesign.com PLEASE HELP
