I am not able to sighn in my email account or my msn
>since yesterday.
>I havent forgot my password or am not geting it wrong.
>The net passport message says that I´ve been trying to
>sighn in with a wrong pasword so it has blocked my
account
>(I can not see how is that possible or why is this
>happening)
>It wont even let me to to reset the pasword
>I dont know how to get in conntact with microsoft
>security. (it asks for a net passport,and it wont
>accept my old one,I´ve created a new one but every time
>I try to get help online,it trys to log me with my old
>net passport and the message I get is:
>
>!!!!You have made too many unsuccessful sign-in attempts
>with an incorrect password for: yokat38@hotmail.com
>
>Microsoft .NET Passport has made your account
temporarily
>unavailable to help prevent other users from guessing or
>obtaining your password.!!!!
>
>And it wont let me,or give me the option to input my new
>net passport that I have created.
>
>I need to get to my emails ASAP
>
>Please some one help me
>thank you
