Is it only in Details view?

If so, read on...

Click in the blank right-hand pane.

Press the Ctrl key and the + key

(only the + key on the numeric keypad)

Q179875 Windows Explorer Does Not Display Item's Contents in Right Pane

<http://support.microsoft.com/?kbid=179875>

If not... then please try a newsgroup for you operating system as this does not appear to be a security problem.

...Alan
