You can use many approaches:

- Copy Database Wizard
- A SQL 2000 DTS package
- A SQL 2005 SSIS package

Also you can use the following script

<http://solidqualitylearning.com/blogs/antonio/archive/2006/02/25/1618.aspx>

Regards

Hi,

How do I transfer all logins from sql2k server to a new sql2005 box?

Thanks
