Try add other users into "Power user" group

>-----Original Message-----

>Hi All,

>

>I have installed the Win2k Professional and after that i  
>took out my user's administrator right from the local pc.

>Now my user cannot open the Jpeg,jpg, gif, etc file  
>formats. It gives an error "unknown format"

>

>once i assign the rights back the user can open the  
files.

>i do not want to assign the admin rights to the user.

>

>Anyone can help Please..
