Hi Chris,

When you install the update from an Microsoft Downloads does the same thing happen?

We may have a configuration conflict between the machines and the update, if this is the case we should open a support case to further diagnose and resolve the problem.

[http://www.microsoft.com/security/security\\_bulletins/ms03-039.asp](http://www.microsoft.com/security/security_bulletins/ms03-039.asp)

Thanks,

Lucy [MS]
