Hello,
sorry that I haven't been able to help so far. What is the exact error message/experience you see?

Greetings,
P. Di Stolfo

Thanks again guy.

No there is no security tab when I right-clicked the drive and chose properties.

Cheers

Hello,

is no tab called "Security" visible when you right-click the drive in "My Computer" and click "Properties"?

Greetings,
P. Di Stolfo
