Sassaman remop, make your SPONSORING public  
Secret SPONSORINGS are not acceptable

We know that you were sponsoring BLUEJAY

|I mailed you, privately, when you first set up your website. I thanked you  
|for what you were doing. I know many other people also supported what you  
|were doing. Whether they voiced that to you or not, I don't know.

Which other trolls are you sponsoring?

Are you also sponsoring those flooding Frog?

Are you also sponsoring those performing "designer abuse" against Frog?

Did you already hire a contract killer to dispose of Frog-Admin, if not: do you intend to?

Are you sponsoring any other actions against Frog?

Who is sponsoring you?

FBI, NSA, other TLA?

Co\$, other cult?

?
