I have a 'takey' request, so appologies in advance...  
As a favour to a friend, I 'designed' a site of sculpture and drawing.  
I am a total amateur. It displays well using the browsers I use, on the  
computer I use, but I would be really grateful if you could take a look  
on your machines and report faults or glitches...  
The website of sculpture and drawing is at:  
<http://www.3ene.com>  
Thanks – and if you need to know anything about sculpture or casting,  
then join me at alt.sculpture and I'll be happy to return the favour!  
(I wouldn't dare post such an off–topic request if I didn't give advice  
elsewhere... Not in the spirit of G–Groups, so sorry.)  
Have a good New Year.  
Mary
