Well they do. Then the expert, who was a amateur once, checks the design.

> *Would you want amatuers to perform surgery?*

Its called a student doctor

> *Would you want amateurs to pilot commercial airplanes?*

Only 200 hours flying time and your a commercial pilot.

How much training do you think these guys have? I will tell you that its not much.

in short Experts were amateurs once. And many ppl learn by doing. As long as they are honest about there skill level and such. Whats the problem.
