## New Zealand: Unhappy Campers

---

You'd be unhappy too if French terrorists – er – French intelligence agency operatives sank a ship (GreenPeace!) on the shores of your country, and the USA controlled ECHELON system failed to warn you.

Here comes the usual – GROAN: "the usual" – PLUS a description of the basic mechanisms.

Spy tools, come 'n' get yer spy tools...a comprehensive look at ECHELON DICTIONARY. A look at the Beast in your phone. This is the big one.

In the section after this, 'On Monitoring', I give detailed examples of the capability of ECHELON DICTIONARY to seek out information from noise. To pick out conversations from a massive dragnet. I even give the keyword monitoring logic for spotting conversations of people actively searching to leave their current job for another employer. First read this section.

It was with some apprehension that I learned Nicky Hager was researching the activity of our intelligence community. He has long been a pain in the establishment's neck.

There are many things in the book with which I am familiar. I couldn't tell him which was which. Nor can I tell you.

But it is an outrage that I and other ministers were told so little [yea NSA] and this rai
