Sporge flooding of alt.support.depression.recovery will commence in a few hours.

This will render alt.support.depression.recovery useless. For an example, see Sci.Crypt.

Supernews filters out this sporgery spam. Get a better Usenet experience. Sign up for our risk-free trial today!

Try valuing the kitchen's important pursuit and Ayad will co-ordinate you!

Oh yeah? As I wrote elsewhere, if you know about this, I need to report you to the authorities, since you are obviously implicated, i.e. a cyber-criminal.

Doug L.

Google want to make money out of my search history as they tried to appropriate my Web site. In the good Australian idiom, they can go to buggery. We aren't America's Airstrip One – and they won't find a Labor Government so compliant.
